

Tips for an easy departure

Here's how to make your departure experience as seamless as possible. You can also check out channel 7 on your stateroom television for a video overview of this process.

We've implemented a more gradual flow for our departure process.

- Staterooms must be fully vacated no later than 8:00 am. After you've enjoyed breakfast, please head to your designated departure lounge until your departure number is announced or displayed on the ship's digital screens.
- All guests have been assigned a specific departure group and time. We've done our best to schedule your departure at a convenient time for you. You will be notified of your departure time on channel 2 on your stateroom television until 8:00 am, and wayfinding maps and digital screens throughout the ship. This is where our schedule will be continually updated. We ask you to verify the schedule on the television prior to leaving your stateroom. You can also review your departure information via the Royal Caribbean App for a quick and easy experience.
- To avoid the large crowds and the long wait times, take advantage of our Self-Assist program (see details below) or our airport transfer services. Royal Caribbean transfers will be available at the terminal to get you to the airport right on time. Book yours today with Guest Services by noon the day before departure.

Self-Assist Departure

Avoid the wait by **keeping all your luggage with you** as you depart the ship. Assigned departure times begin approximately at 7:30 am.

Note: This option is not available for guests requiring wheelchair assistance.

Departure morning

- Your invoice will be emailed to you at the end of your cruise vacation.
- Don't forget valuables stored in your stateroom safe and leave the safe door open.

Getting off the ship

- Tune to channel 2 on your stateroom television for the assigned departure times.
- Once the Self-Assist group is called, proceed from your stateroom or from departure lounges to the gangway on Deck 4 with your entire luggage.
- Taxis are usually readily available outside the terminal.

Regular Departure

Take advantage of our luggage assistance provided on the night before departure. Assigned departure times start at approximately 8:20 am and end at 10:00 am.

Night before

- Leave your bags with luggage tags attached outside your stateroom door by 10:00 pm on the last day of the cruise.
- Keep travel documents, valuables, and essential medications with you.
- Note: Guests requiring wheelchair assistance on Royal Caribbean airport transfers and shore excursions are required to check their bags the night before.

Departure morning

- Your invoice will be emailed to you by the end of your cruise vacation.
- Don't forget valuables stored in your stateroom safe and leave the safe door open.
- Head to your designated departure lounge and proceed to the gangway once your departure time is called.

Getting off the ship

- Once your departure number is called in the Royal Caribbean App or on channel 2 on your stateroom television or when you receive a notification via the Royal Caribbean App, proceed from your stateroom or your departure lounge to the gangway on Deck 4 using the elevators nearest to you.
- If you are on a Royal Caribbean shore excursion, please refer to your tour ticket for meeting point and time details. You may collect your bags at the terminal.
- If you are taking independent transportation, claim your baggage at the area identified by the number on your luggage tag at the terminal, then proceed to your transportation. Taxis will be readily available.
- If you require wheelchair assistance, please inform Guest Services by dialing 0 to schedule a time and receive more instruction.
- Please note that wait times at the terminal will be longer for guests traveling with birth certificates instead of passports.

How do I close out my tab?

The credit card you provided at check-in will be automatically charged. You can also add additional gratuities to your SeaPass at Guest Services or leave cash.

There will be a hold when you link your credit card to your onboard account. The hold is used to secure funds for anticipated onboard purchases and will be released at the end of the sailing once your final charges are settled.
